## RISK ASSESSMENT – COVID-19

<b>Name of Club/Venue:</b> Hampton Wick Royal Cricket Club	<b>Name of Risk Assessor:</b> Zubair Ahmed	<b>Date of Risk Assessment:</b> 17 May 2021
<b>Risk:</b> Transmission of COVID		
<b>Key points:</b> <ul style="list-style-type: none"><li>• This risk assessment has been completed to mitigate the spread of Coronavirus during usage of the outdoor nets for groups, 1-2-1 coaching activities, organised training sessions, matches and post activity socialising.</li><li>• All organised junior training sessions must have the appropriate coach/adult to children ratio per ECB guidelines.</li><li>• All three lanes of the nets may be used during organised training sessions. Maximum 6 participants per lane including the coach. A coach must be present for each lane for organised junior sessions. Use of the NHS Track and Trace QR code is recommended for all adult participants or a registry must be kept for 21 days.</li><li>• Nets can only be booked by members of the club outside of organised sessions with maximum of 6 participants per session. More than 6 individuals may use the nets provided they are from 2 households only. All individuals attending the nets must be named at the time of booking.</li><li>• The clubhouse can be made available for usage of changing rooms, toilets, accessing equipment and first aid kits, and purchase of snacks and beverages. Alcoholic beverages must be ordered, served in the designated sitting area inside or outside the clubhouse. Face masks/coverings must be worn inside the clubhouse when not sitting down. The first floor of the clubhouse may be opened subject to adherence and monitoring of maximum capacity limits set out in this document.</li><li>• Teas can be served indoors, but consumption of teas needs to be while seated down.</li><li>• Changing rooms can be made available to players. Kit bags must not be stored in the changing rooms after matches or training sessions. Changing rooms will need to be cleaned after every usage (floor/benches). Social distancing must be maintained, and face coverings should be encouraged.</li><li>• Members, players, staff and opposition teams visiting the club should be encouraged to use the NHS Track and Trace system – this should be communicated to both home and opposition teams in advance of the match – preferably 24-48 hours in advance.</li></ul>
